March 31, 2010

This letter is to certify our compliance with the Children's Television Act of 1990 and the *1996 Children's Television Report and Order* during the first quarter of the year 2010. From January 4 through March 31, 2010, Universal Sports (formerly WCSN) aired 39 hours of E/I Programming, which meets or exceeds FCC requirements.

From January 4 to March 31, Universal Sports fulfilled its core programming requirements with E/I programming of *Safari Tracks and Planet X*. Each episode of each series is thirty minutes in length and is aimed at junior high school students, 13 – 16 years of age.

The regularly scheduled time period in first quarter 2010 for our E/I programming was Monday, Tuesday and Wednesday 10:00 am – 11:00 am eastern time. For the weeks of February 1st & February 8th, we doubled our E/I Programming block due to our supportive coverage to NBC during the Winter Olympic Games. There was no E/I Programming during the weeks of February 15th & February 22nd.

Below is the crawl that ran 4-times per hour (twice per episode) of each scheduled hour of E/I programming during the weeks of 1/25, 2/1 & 2/8.

Children's E/I Programming will not air during the weeks of February 15th & 22nd due to the Winter Olympic Games. For the weeks of February 1st and 8th, we will air an additional hour of E/I Programming per day from 11-12 EST after currently scheduled E/I Programming. Children's E/I Programming will return to its regular schedule on March 1st.

Attached to this letter is a complete list of all E/I programming aired on Universal Sports in the first quarter of 2010, as well as a detailed report of air dates and times.

EP. 4SH00402: "CROCODILE CHRONICLES"

This episode of "Safari Tracks" travels to the edge of Africa's streams and lakes to search out the Nile crocodile. We'll keep our distance as we find out how crocs hunt, what they eat, and what makes them one of Africa's most dangerous predators.

EP. 4SH00403: "LION KINGS"

This episode of "Safari Tracks" goes in search of the king of all beasts: the lion. They may sleep most of the time but lions make up for it with their strength and their unwavering loyalty to the pride.

EP. 4SH00405: "HIPPOS: SWIM AT YOUR OWN RISK"

This episode of "Safari Tracks" goes aquatic in its search for Africa's most dangerous animal. While he may seem comical to us, the hippo's massive mouth, long teeth and surprising speed make him king of the watering hole.

EP. 4SH00413: "LEADERS OF THE PACK"

EP. 4SH00421: "ZEBRA ZONE"

This episode of "Safari Tracks" is a black and white adventure of pursuit, as we follow zebra herds across the plains. Zebras' unique stripes, cooperative survival skills and high-powered eyesight ensure that they will continue to thrive in the often-hostile bush environment.

Educational and Informational Programming

What is E/I Programming?

Educational and informational television programming is programming that furthers the educational and informational needs of children 16 years of age and under in any respect, including the child's intellectual or social needs and that also satisfies the following criteria:

1. The programming must have a significant purpose. Education need not be the only one. That purpose must serve the needs of children ages 16 and under.
2. Commercial broadcasters must provide the educational and informational objective of core programming in writing. The report will indicate a specific target age group for core programs.
3. Core programming is scheduled from Monday - Wednesday from 10:00 AM – 11:00 AM EST.
4. The program must be regularly scheduled so that it can be published in program guides consistently.
5. The program must be of a substantial length – 30 minutes or more.
6. Quarterly reporting of the schedule and hours of E/I programming to the FCC is required.
7. If E/I programming is preempted, written notice is necessary to identify where and why the E/I programming was preempted.
8. The program must be identified as specially designed to educate and inform children by the display on the television screen throughout the program of the E/I symbol.

Example of E/I Programming

Safari Tracks is a program with content grounded in the natural world and delivered using an approach that, while entertaining to a young audience, highlights the informational and educational aspects of the animal kingdom in the given environment of Africa. Viewers receive topic points that help build the ethical decision-making necessary to becoming a citizen of the planet.
